

CAPS San Diego

Reforming Your Chapter

Is CAPS doing for you and for your profession what you want it to do?

We want to make this year of CAPS the best it has ever been, but we need your help. At this meeting, let's put it all on the table. Everything is up for grabs. Get your creative juices flowing! This is your opportunity to help make San Diego CAPS more of what you want it to be.

- Why do you come to CAPS?
- Why don't you come to CAPS?
- What meeting format(s) work best for you?
- How do you want the meetings to be different?
- How can CAPS meetings especially benefit veteran therapists?

If you cannot come on September 18th we want your ideas anyway! Please email Christine before the 18th so we can still work with them at the meeting.

Because of the nature of this meeting, the customary offer of one CEU will not be available for this meeting only.
